Granite and Epoxy Flooring Experts

Vision Garage Flooring has been providing professional Granite-style and Epoxy / Polyurethane garage flooring systems for over a decade. Used exclusively by hundreds of professional Home and Designer companies and personal home owners, Vision Garage Flooring is number one in value and experience.

Although Vision Garage Flooring offers an array of standard Granite and Epoxy / Polyurethane flooring colors, custom colors and blends are also available.

More than just professional garage flooring systems, we offer a complete full-range set of services. From flooring preparation and repair to matching garage cabinets, for that one of a kind garage, shop floor, airplane hangar...

Rubber Sports Flooring

Rubber Sports Flooring is dent-resistant flooring and perfect for any weight room or equipment room, and is also a great choice for gymnasiums, yoga or pilates studios, children's play areas, common areas, and much more.

Rubber Sports Flooring is a super-durable flooring product with the most color options available on the market.
